ANANDA JYOTHI, NAGARJUNA NAGAR:

We the novices are blessed by the Lord with many memorable events in the months of Feb. and Mar. Fr. Vidyasagar celebrated his birthday on 28th Feb. We had meaningful Eucharistic celebration. We took part in the Mass along with community members thanking God for the gift of Fr. Vidyasagar to the Society of Jesus and especially for Ananda Jyothi community.

Our hearts were filled with joy and strength as we started our Inter-Novitiate gathering on 1st Mar. Sr. Simona of The Holy Spirit Congregation dealt with the topic 'The Hidden Spirituality of Jesus found in Scripture'. It was well attended by 54 novices from SJ, OMI, OSFS, SCJ and Holy Family brothers and 12 novices from JMJ congregation. Our classes on the 'qualities and attitudes of Jesus' enhanced our spirituality and played an important role in knowing God more. The five-day programme made us interact with everyone. All the novices actively participated in the cultural programme. Creative night recreations were the significant joyful moments. We had games conducted by Fr. Thambi. We enjoyed the scrumptious meals provided by Br. John on those days of inter-

novitiate gathering. It has strengthened our psycho-spirituality. We felt immensely thankful to Fr. ISF Jeyaraj for the initiative taken to arrange this programme. It ended on 5th Mar.

We commenced classes on 'Psalms' on 8th Mar by Sr. Simona. We also invited our beloved SCJ novices for these classes. These classes strengthened us spiritually and made us realize the deepest faith of the Psalmist in his God.

We also celebrated Fr. John Joseph's 76th birthday on 11th Mar. We had simple and meaningful celebration, where we expressed our heartfelt gratitude to the Lord. On 13th Mar our second year brothers left for Gudlavalleru for pastoral experiment. First year novices went to bird's sanctuary in Uppalapadu by bicycles on 15th Mar. We enjoyed watching numerous birds coming from different countries and relaxed ourselves.

- S. PRADEEP KUMAR, NSJ

SANJEEVAN NIWAS, VIJAYAWADA:

The months of Feb and Mar kept us busy with end semester exams. In the first week of Mar, we had change of "Portfolios". We began the new semester with the "Holy Spirit" Mass on 28th Feb, at Gunadala Matha Grotto and sought the blessings of Mother Mary. Both the first and third years started offline classes, and second years continue to attend their classes online. Schs. Srikanth, Vijay, Wilson, Manoj, Ajith Xavier, and Rupesh celebrated their birthdays during this month.

On 11th Mar we had a community meeting where we evaluated, both 'Diaconate Ordination as well as Jubilee celebrations. Fr Superior appreciated all the scholastics for team work and taking active part. We also shared our own views on the "Blessing Ministry" for the feast of "Gunadala Matha." Most of the scholastics expressed their devotional and faith experiences that they had during this ministry. We celebrated feast of St. Joseph, the patron saint of the "Society of Jesus" on 19th Mar. Fr. Marianna is very active in taking care of the spiritual needs of the scholastics. Fr. Bosco is fully occupied with his missions in different states, besides meeting the scholastics.

- GOPICHAND, SJ

COLLEGIO INTERNAZIONALE DEL GESÙ, ROME:

You are all well aware that Fr. Joe underwent Electrocardiograph followed by Angioplasty. He met the doctor on 19th Mar. The doctor expressed satisfaction over the steady progress of the health of Fr. Joe. He needs to take medicines for two months. He requests our prayers for the steady recovery. We also request the prayers for the family of Sch. Thomas. Lately we received the news that his brother, sister and mother were tested covid-positive turning the situation from bad to worse; and taking care of his father has become a real concern.

Rome has come under the Red zone as the number of covid cases increased. We are having all the classes online; apart from the university classes, the second years have the lessons on Homiletics and the first years on the Ministero della Parola in Italian. On 5th Mar, we had the cultural Mass organized by the scholastics of JCSA. In a special way we prayed for all the Jesuits and mission of JCSA and for the release of Fr. Stan Swamy SJ. We had a day-recollection on 13th Mar, guided by Fr. Paul Béré SJ(AOC), a professor in Biblicum. He took us to the realm of psalms and helped us pray; we also had a zoom session with the Dean of the Gregorian University Fr. Philip Renches, SJ; he clarified our doubts on the theology courses and syllabus; Cardinal José Tolentino de Mendonça, Archivista e Bibliotecario di Santa Romana Chiesa has visited Collegio del Gesù and interacted with the would-be deacons as he is going to ordain them deacons on 6th Apr. The would-be deacons will do their eight-day retreat from 23rd to 31st Mar. We wish you a prayerful Holy Week and Happy Easter.

SHANTHI NAGAR PARISH:

On 15th Jan, a day of Parish Families' get together was organized. Fr S Marreddy of Kadapa Diocese preached the word of God whole morning and Fr Joji Prasad preached a fiery homily on St. Thomas. It was very devotional and faith enriching experience for all parishioners. This year Christmas and New Year Masses were thankfully offered during the pandemic. Frs. MA Alex, Naresh, Sunil and Y. Inna celebrated the mid night Masses and blessed people. They filled the people with the blessings of God. The spiritual activities helped the faithful to become more confident of God's protective care.

On 2nd Feb, Feast of Pushpanagar was organized. Fr Singareddy Shoban officiated the holy Eucharist and Fr. Singareddy Inna, Principal of St Joseph's high school, Husnabad, preached on Physical Churches and Living Churches. Fr. Balasamy from Unikicherla Parish and Fr. Sunil joined the Mass. It was solemn and spiritually nourishing. All of us are aware that Pushpanagar catholics lost their agricultural and house lands though registered but not entered into the revenue records. It was registered in the name of Fr. PS Amal in 1975 and for the last forty five years it was an issue. We are trying to enter the land into the revenue records. Now that the land rates have skyrocketed, people are eager to complete the needed paper work. Hope we will be able to finish the long pending work soon.

From the evening of 20th Mar to 21st evening, a prayer meeting was organized as a preparation for Lent and the Golden jubilee of Bala Nagar parish. Fr. G. Kiran SJ and Fr. G. Rayappa SJ were the preachers. It was well attended and the out pouring of the spiritual gifts was experienced by most of the participants. Big number of faithful turned for confessions, Frs. MA Alex, Rayappa and Sunil were busy at the confessionals. Balanagar catholics provided lunch for all the participants of Shanthi Nagar parish. For a long time Bala Nagar catholics were facing problem of land for graveyard. Seventeen and half guntas were registered in exchange for 5 guntas of land near old church. The registration is over. Now, due to the tireless efforts of the parish priest along with some elders and cooperation from the owner, they have more space for graveyard after trying for more than twenty five years.
