ANANDA JYOTHI, NAGARJUNA NAGAR:

Ananda Jyothi Novitiate has got a new look with many plants planted giving a new life to our garden. It has brought a wonderful ambience to our campus. On 29-30 Oct Fr ISF. Jeyaraj, attended Superiors' Meet at Satyodayam, Secunderabad. Fr Amalanathan is preaching a month long retreat for the novices of 'Sacred Heart of Jesus Congregation' concluding it on 26th Nov 2020.

31st Oct was a memorable day to every one of us as we had two great feasts celebrated, namely, the feast of Rev. Fr Mathias Wolff, SJ, founder of JMJ Congregation and St Alphonse Rodriguez SJ, patron saint of Brothers of the Society of Jesus. The day was blessed with a Solemn Mass in the morning at JMJ convent. The novices took up the choir and sang melodiously. In the evening, we had a meaningful prayer service at Ananda Jyothi Retreat House for our Jesuit Brothers Bhoge and John, praying for them and honouring them on the feast day.

On 2nd Nov, we had a 'Satsung' for the novices, wherein we had a heartfelt open sharing about our life lived here at the Novitiate. It was very helpful and fruitful. On 3rd Nov, we started our 'Work Experiment' within our campus with a lot of enthusiasm. Due to Corona Pandemic, we decided to have this experiment within our campus under the able guidance of Fr Thambi and Br Bhoge. On 5th Nov we had the birthday celebration of Fr Thambi with a short cultural programme, in which we shared our joy and love for him. On 12th Nov, Fr Joseph Raj, Socius to the Provincial made his official visit to Ananda Jyothi community. 13th Nov was a great day for us, Novices, as we celebrated the feast of St. Stanislaus Kostka, the patron saint of the novices. We had a meaningful Eucharistic Celebration and Volley Ball match which increased our happiness. All the Jesuits in the community encouraged us and participated in the memorable event. Ananda Jyothi Retreat House was profoundly blessed with God's blessings. In the month of Nov the house was fully occupied with a number of retreats and spiritual directions. Fr ISF. Jeyaraj preached eight day retreat for two different groups of Holy Cross, Tenali and Little Sisters of the Poor, Nambur. Fr C. Alex preached two retreats for M.C. Brothers, Nunna, Vijayawada. Fr Maria Joseph rendered his helping hand for Fr Jeyaseelan at Seethampeta for a short time. ADILABAD - ASIFABAD MISSION:

The "Red Charity, Austria" project to assist 500 tribal families for food and agriculture during Covid-19 pandemic was successfully completed on 11th Nov. We thank Fr Provincial, PDD and the Treasurer for getting this project and assisting us in the implementation of the project. God blessed our tribal people with good cotton crop. It is being picked from all fields and transported to the local market. The only standing crop now is 'Red Gram'

and it is in full bloom. Our tribal people celebrated Diwali festival much more than the festival of Dusshera. They began three days in advance with 'Gussadi Dance' and 'Kolatham.' We joined them at Gonduguda of Babejheri village on 11th Nov and enjoyed the Gussadi dance and Kolatham. They are legacy of a rich tribal culture and mandate us to protect and preserve them. Frs Amal and Pratap along with the parish priest of Utnoor went to Mandamarri on 12th Nov to be with Fr Xavier Rex and celebrate his 17th Ordination anniversary. We had grand Syro Malabar Mass on 13th morning and prayed for him and Frs K.P.Francis, Simon and P.Balashowry who were ordained on the same day with him.

The parishioners of Mandamarri greeted Fr Xavier Rex after the Mass. Frs Amal and Xavier Rex attended the solemn profession of Fr B.Joji at Pulivendula on 14th Nov. After the final vows celebration, Fr Xavier Rex along with Fr Shinto the parish priest of Mandamarri made a visit to the shrine of Arogya Matha in Cudappa and en- route visited the samadhi of Dr. Y.S.Rajasekhar Reddy. Fr Amal visited the church at J.K.Palli and the shrine at Krishnapuram.

Fr Pratap suffered from fever from 12th Nov onwards. In spite of medication, his temperature was oscillating between 99 and 102 degrees. He was admitted in St. Theresa's hospital, Hyderabad and was diagnosed Dengue fever. He was discharged on 19th Nov had his rest under the care of Satyodayam community and returned to Utnoor on 24th Nov.

A mega eye camp was organized by the Police's of Kerameri at Babejherri village in Jodeghat area on 19th Nov and nearly 500 tribal people benefited. Fr Amal addressed the gathering before the camp was formally inaugurated by Mr. Sathya Narayan I.P.S, the commissioner of Police. It was an occasion for Fr Amal to interact with the top police officers of Asifabad and Mancheri districts. Many people went through the tests. 87 people received glasses and 19 were identified for surgery and would be taken to Mancheri soon for free surgery and treatment. Our people requested the police commissioner to negotiate with different departments to get their road from Hatti to Judeghat repaired at the earliest, to restore the bus service from Adilabad, Asifabad and Utnoor, to build a cell phone tower for easy communication and to establish a hospital at a central place in Jodeghat area. The police commissioner has assured to take up these needs of the tribal people and do his best.

KD PETA

The new director Fr Wilson was installed on 7th Oct by Fr Provincial at LITDS mission at K.D.Peta in the presence of Frs Paul Amal and Elango. Their visit also gave us a new orientation to work and service. The staff of both the school and tuition centers were motivated and had a clear understanding about the importance of the time of pandemic and our response to

it. We were all graced by the Provincial, PDD and Fr Paul Amal with their help for the tribal people. The medical and the health care of the expectant mothers and the HIV patients have been highly active and were asked to help them freely. Thanks to Fr Prashanth whose help to this community is well known especially in the hours after Fr Elias' death.

The school staff and students are encouraged to attend the school with much precautionary measures. There is not much of help to our private

schools and many are in dilemma with uncertainty all around us. We hope to get back on track with God's grace.
