**SAHAYOG**

**Community:** **Fr Tony Andrade** arrived here on April 1. **Fr Chacko** received Covid-19 vaccination on the 3rd, the day **Fr Dayal** arrived at Sahayog. We joined the Xavier's community for the Easter dinner. **Fr Nelson** arrived here on the 5th from Jamshedpur and headed for Jaipur on the 10th. During the evening Mass on the 8th, **Fr Dayal** assumed office as Acting Superior of Sahayog from **Fr Xavier Ignatius**. Thank you, **Fr Xavier**, for shouldering this additional responsibility for over seven months. The campus Jesuits had a dinner together on this occasion. **Fr Mathew** started guiding three SCCG tertians through their Long Retreat on the 7th. As **Mathew** fell ill, he could not continue with this Long Retreat. **Fr Soosai Mani** readily stepped in and continued with the retreat. Thanks a lot, **Fr Sossai** for the help. **Fr Tony Andrade** arrived on April 1 and left for Patna on the 11th enroute to Sitagarha for POP. **Sch. Pawan** left on the 13th for POP at Sitagarha. **Fr Dayal** took over as Director of NRC on the 14th. He is also undergoing massage by PHI **Mr. Bejoy**. On the 16th **Fr Xavier** left for a short home visit and returned on the 29th.

## ST. XAVIER'S, BEHROR

**School:** Results of classes 4 to 9 were distributed on the 31 March. The classes of Prep to 8 were called off from 8 April; later, with the announcement of the lockdown, the school closed completely.

**House: Frs Joseph Kochu, Shaju Kalathingal and Sebastian Assarikudy** were given the first dose of vaccination on 9 April. All are well except Shaju who had fever for 3 days following the jab.

**Parish:** We conducted the Holy Week services as usual. Most of the parishioners attended the services without fail.

*Sebastian A*

## ST. XAVIER'S, BHIWADI

**Community:** The community members are hearty and energetic. We have our usual evening prayers and sharing of our life and mission. We come together for community meetings to reflect on our mission. These practices unite us to do everything for the greater glory of God. We had two guests from Delhi: **Fr Scaria** and **Bro. Gyan. Fr Glenn** received them warmly in the community. We were very happy to have **Sch. Maneesh Lukose** to our community.

**School:** After the yearly examination, we had a few offline lessons for classes 10 and 12. The volatile pandemic causes a lot of uncertainties to all associated with the school. We have received a notice from the Government of Rajasthan to close the school to prevent the pandemic. To cope with the unfamiliar situation, the teachers are on their toes trying to teach the students through online lessons. Father Principal is burning the midnight oil arranging and rearranging the timetables for the online classes. He sent a few notices to the students and the parents emphasizing the importance of online teaching. The CBSE has cancelled the board exam for class 10. Our students of class 11 will be having their regular lessons through the online mode. Under the supervision of **Fr Glenn** the school construction work is steadily progressing. We have almost completed the first floor. We are hoping to start regular lessons during the coming academic year.

**Maria Sadan:** Our candidates attend classes regularly. The arrival of **Sch. Maneesh** is a great help. He is helping the candidates in their studies. **Fr Antony** spends much time preparing for his BEd examination. The candidates fill their time with various activities like exercise, gardening, cleaning and indoor games. Due to the increase

of Covid-19 cases all over the country, two of our first-year candidates are asked to attend online classes from their homes. They will be joining us once the situation becomes normal.

**Parish:** Due to Covid-19 restrictions, we had the Easter Mass in the late evening. After Easter, the parish priest and the other priests went for house blessing. We were assigned to different areas. These days, the church activities are suspended because of the pandemic restrictions.

## ST. XAVIER'S, JAIPUR

**Parish:** The disregard of the general public for the guidelines issued by the State resulted in a tsunami of Covid infection leading to many deaths during March. Doubts were raised whether it is prudent to celebrate the Holy Week falling in the closing days of March and the beginning of April. Yet, by diligently following the SOP of the pandemic, the Holy Week services were conducted meaningfully through the assistance of a few of the dedicated Parish Council members. Since we expected more faithful for the Easter Vigil, two Services (one in Hindi in the church and the other in English in the Junior School hall) were conducted simultaneously.

More than 120 houses were blessed on Easter Monday (5 April) with the ever-willing help of the Jesuits in Jaipur. The remaining twenty plus houses were blessed by the parish priest a few days later.

On 11 April, St. Xavier's Parish welcomed **Fr Nelson D'Silva**, the newly-nominated superior of C-Scheme Jesuit Community, and **Sr. Sonia Moras, SCJM**, the new vice principal of the Junior School.

**Mrs. Mary Thomas** of the parish won the 1st prize (a cell phone) in the JCWS lottery and the President of JCWS, **Mrs. Dipali Paul** presented it to her. As Rajasthan slipped into the curfew mode due to the spiraling Covid-19 cases, on Sunday, 18 April, public Mass was suspended and once again the online streaming of the Sunday morning Mass started. It was heartening to see that many families were getting connected and participating in the Eucharistic celebration.

The farewell of fathers **Augustine, Varkey, Rex, Sherry, Raymond, Sobin** and **Jose**, who are on transfer after having served the faithful in Jaipur, was scheduled on April 25. But due to the restrictions imposed by the government on the places of worship, the program was stalled.

As the Delhi Mail is being typed on 1 May, **Fr K. P. George** has arrived in Jaipur. Plans are afoot to install him after the mandatory quarantine period on 9 May by the Local Ordinary **Most Rev. Oswald Lewis**, Bishop of Jaipur.

During April, three parishioners left for their eternal reward – two due to Covid infection and one because of cardiac arrest. May they experience the fullness of life with the Risen Lord.

*Varkey*

**School:** From Easter Monday the new academic session was kick-started through online mode without much fanfare. The practicals of class 12 for various subjects started on the same day. **Sr. Sonia Moras, SCJM**, the new vice principal of the Junior School was introduced to the Junior School teachers via virtual mode. The outgoing and incoming managers of the school, **Frs Augustine** and **Nelson** respectively, started interacting with the entire staff on a one-to-one basis following the spiritual conversation method through video conference eliciting concerns and vision(s) for the betterment of the school. The introduction of weekend curfew on April 16 came as a bolt from the blue as many planned programs had to be concluded in a haste. We managed to wind up the practicals by 5 pm. As the Covid-19 situation spiraled out of control, the govt. extended the curfew till May 3. A number of our staff caught under the grip of the pandemic had to be hospitalised. By the last lap of the month the list of class 11 students (who didn't have the fortune or misfortune of appearing for the 10th class Board Exam) was published and classes began in good faith.

*Sabin*

**Community:** Community members actively participated in the Holy Week services and the Easter celebration while adhering to the Covid-19 protocols. On the 3rd evening, a few of our community members drove to Almora to relax for a few days in the hills. On April 4, the community organized a farewell programme for **Frs Rex, Raymond, Sherry**, and **John Ari**. **Fr John Ari** left for Mahua on April 7 to take over as the superior of the community. On the same day, in the evening, the community attended the farewell program of **Srs. Lissy** and **Sunita** at SCJM convent. On April 9, a few members of the community attended **Fr Jugal's** birthday celebration in Mahua. **Fr Augustine** travelled to Behror with **Sch. Ruban**, who was assigned to the Almora community, on April 10. On his way back, **Fr Nelson**, the newly-appointed superior,

accompanied him. **Fr Jugal**, accompanied by three sister collaborators and a scholastic, visited C-scheme on April 13 and then left for Nevta after the breakfast. **Fr John Ari** travelled to Jaipur on April 26 to receive the second dose of Covid vaccination and returned on the same day.

## ST. XAVIER'S, NEVTA

**Community:** It was our privilege to have Provincial **Fr Soosai Mani** during the Holy Week in the campus. On Maundy Thursday he celebrated the Eucharist. On that day we all were invited by the sisters for a festive meal. A meaningful Farewell-cum-Welcome programme was organized in the college to express our gratitude to the outgoing veterans (**Frs Varkey, Augustine** and **Ravi**) and welcome the new team at Nevta. The community at Nevta has grown now with three more new members (**Frs Rex Angelo, Raymond** and **Sherry**). We also had Jesuit companions from Jhajjar and Shahabad (**Frs George, Abraham, George Peter**, and **Bro Gyan**) who came for a short visit. Foresight helped them to get back to their respective communities safely before the lockdown came into effect. **Fr Jijimon** had gone to the south for vocation promotion. He has managed to return without getting stuck. As everyone is feeling helpless due to the Covid-19 pandemic and the havoc it caused all around, the community spends more time in prayer asking God's mercy on humanity.

**XVI:** We started the vocational programs and village animation programs with full enthusiasm. **Fr Arok** visited some villages to form self-help groups to empower the rural women. However, due to the lockdown we had to close everything until we are permitted to restart again.

**School:** Our hope of starting the new academic year from April 12, 2021 with offline classes was dashed by the second wave of the pandemic. Several staff members in our school were tested Covid-19 positive and a few of them had to be hospitalized in ICUs due to respiratory problems. Some of them are still in hospitals. In spite of all these, we are continuing with the online classes till we break for summer vacation from the third week of May. Since the CBSE has cancelled the Board Exams for class 10 students, we are in the process of making the provisional list of students for various streams based on the marks of classes 9 and 10 and on their performance in the first and second Pre-board Exams. We hope to begin the new academic session with online lessons for class 11 from Thursday, May 6, 2021.

The fee issues continue to bother us as a significant number of the parents have not yet deposited the school fees for the academic year 2020-21. We hope to recover the dues by August 2021. Consequently, the salary issues for the staff during 2021-22 will continue to remain a concern for the school management.

**College:** The merger of both St Xavier's Colleges of Hathroi Fort Road and Nevta, was formalised during a grand function held at the Nevta premises on 6 April with the blessings of **Fr Soosai Mani**, our provincial who presided over the ceremony. The merged college will function with **Fr A Rex Angelo** as the principal, who took charge on the same day. A farewell and a merger program with the title 'In Gratitude, Let Us Journey Ahead' was organised at the college auditorium in which **Fr Augustine Perumalil** (outgoing principal, St. Xavier's College, Nevta), **Fr John Ravi** (outgoing principal, St. Xavier's School, Nevta) and **Fr Varkey Perekkatt** (former manager, St. Xavier's College, Hathroi Fort Road, Jaipur) were given a fond farewell by the new administrators and staff of the college. Due to the spiralling of Covid-19 cases, the second internal examinations were conducted online from 7 April to 16 April. On 12 April, the first staff meeting of the combined college was conducted at Nevta campus during which **Fr Rex** gave practical guidelines. In addition to the teaching staff, the meeting was attended by **Fr Arokya Swamy** (manager) and **Frs Raymond** and **Sherry** (vice-principals). As per the instructions from the state government, the college was closed from 15 April to 2 May. The staff worked from home. On 23 April, the Media Committee officially launched the YouTube channel **Life@Xavier's**, Jaipur for promotion and advertisement under the mentorship of the college management. The shifting of furniture and equipment from HFR college to Nevta campus is still going on, though the major portion has already been shifted. Under the care of Fr Jeba, the campus administrator, and **Fr Raymond**, the college administrator, the maintenance staff attend to their duties to spruce up the campus. Under the guidance of the Institutional Social Responsibility Cell, the college donated 5 computers and a printer to Ropar Mission.

### ST. XAVIER'S, SHAHBAD

**School:** The new Academic session for classes 6 to 9 started on April 7, 2021 through digital modes. We had an offline staff meeting on April

10 to discuss academics, activities and discipline-related matters for the new academic session 2021-22. Webinars were organized for parents of classes 10 and 12 by the respective class teachers. Parents were very appreciative of the efforts taken by the school management and staff in educating and forming their children during the pandemic. An interclass GK competition was conducted for engaging and enlightening the students. On April 22, a special assembly was organized to celebrate the Earth Day. The Tarumitra Club presented a beautiful and meaningful virtual assembly on the occasion. On 21 April, the Education Department directed the Delhi schools to suspend all the online classes and reschedule the summer vacation. Following the directives, on 24 April, summer vacation was declared for all classes. However, the teachers are continuing to accompany students through home works, assignments, and special activities. In the Junior School, the Prep admission concluded on March 31, with 120 new entrants joining St. Xavier's family. An orientation programme was conducted in the school auditorium for the parents of the Prep class on April 5, 2021. It was attended by most parents. The online classes for the Junior School started on April 6. On April 10, a virtual staff meeting was organized in which various academic and activity-related matters were discussed. To mark the Earth Day, the Jr. School science teachers prepared a PowerPoint presentation which was shared with all the classes.

**LVI:** On 1 April, we inaugurated a branch of LVI at Narela, in the outskirts of Delhi, starting two courses in Cutting & Tailoring and Beauty Culture. It is a new area requiring much publicity; but it is picking up well. LVI at Rohini with 150 students and the tailoring centre at Sector-27, were doing well; but we had to close them down on 15 April because of the lockdown. The Lokmanch project has been functioning for five years in Sect-26 & Sect-27, creating awareness among 3000 women of their rights and duties. Misereor, the nodal funding agency, appointed an external expert to evaluate the impact of Lokmanch. The team carried out a detailed inspection on 5 April, after which they were taken to Sect-27, Rohini, in order to interact with the 40 leaders of Lokmanch, and to have an on-the-spot inspection. The team was very much impressed by the leadership and self-confidence of the leaders, and by their contribution to facilitate the process of providing drinking water, sewage line and health facilities. Our 45 SHGs are functioning

well in spite of the corona, with regular meetings and monthly contribution. We had a meeting of the 20 remedial coaching teachers, and we had an evaluation of our tuition program and its impact during past 2-3 yrs. We had decided to reopen our centres from 1 April but due to the worsening pandemic, we have postponed it to May. Our helper, **Mr Ramu**, has been under home quarantine since two weeks. Because of the spread of corona and the uncertainty of the future, we are thinking of anticipating the summer vacation to May and starting classes in June (God willing).

*George Peter*

**Community:** From 1 to 3 April we were in Holy Triduum. **Sch. Maneesh** came from Chennai on the 3rd morning. On the 4th evening we had the Easter celebration with the collaborators. On the 5th **Remy** went to the eye doctor for a check-up and got a laser eye treatment done. On the 8th **Bro Gyan** and **Fr Scaria** went to Bhiwadi to see the construction work there. On the 13<sup>th</sup>, **Frs Remy** and **Joy John** went to Jivodaya Hospital for a dental check-up. **Sch. Arvind** left for Sitagarha for his pre-ordination program. On the 14th **Sch. Maneesh** left for Bhiwadi to assist the candidate director. We had a meeting with the collaborators in the evening. On the 15th, **Scaria, Remy** and **Joy John** received the second dose of the corona vaccine. On the 16th, **Bro Gyan** and **Fr George Peter** went to Jaipur to renew the latter's driving license but they had to return hurriedly without doing the work on the 19th because of the Rajasthan lockdown. On the 21st when we received the sad news of the demise of **Fr George Karamayil** in Patna, we offered special prayers and Mass for him. On the 22nd we celebrated the feast of the Blessed Virgin Mary, Mother of the Society. On the 24th we were shocked to hear about the sudden death of **Fr P T Augustine**. On the 25th we offered a special Mass for the departed soul for **Fr P T Augustine**. On the 29th we were once again saddened by the untimely departure of **Fr Joy Karayampuram** in Patna. The community is keeping the spirit alive and enjoying all the blessings of the season.

*Remy*

**Parish:** Because of the pandemic restrictions, we had to reschedule our Holy Week programs. On the 1st we had the Maundy Thursday services in the evening at 7:00 pm. On Good Friday the Way of Cross and the subsequent services were held at 3:00 pm. The Easter Vigil Mass was held on the 3rd at 7:00 pm. The Easter Sunday Mass was in the morning on the 4th at 9:30 am. Most of the

parishioners participated in these services. On the 9th two of our parishioners got married. On Sunday 11 April after the Mass we had a parish council meeting. On the 17th one of our parishioners passed away. Because of the government-imposed restrictions, we did not have public services after 11 April. However, we had a marriage on 22 April. Because of Covid-19 we lost one of our parishioners on 29 April. He was buried in Mangolpuri cemetery on 30 April.

*Scaria*

## ALMORA

From Jaipur, **Frs Sobin, Dominic** and **Joshy** came for Holy Week and left on Saturday, 3 April to attend the Easter Vigil Mass at Jaipur. On the way back, **Fr Pradeep**, too, joined them till Delhi. We celebrated our Easter Vigil Mass in the evening with a few Catholics. It was followed by Easter cake cutting and distribution of Easter Eggs. Later, we had dinner together. On 9 April **Fr Rakesh** accompanied **Schs. Manish** and **Cyril** to reach them to Delhi. These scholastics were accommodated in Jahangirpuri to isolate them from the elderly people who are in danger of infection. Later, they left for Hazaribagh for their POP program which was to commence from 15 April 2021. **Fr Rakesh** attended his niece's engagement (lotta pani) in Laxmibai Nagar Community Hall on 11 April. He returned in the evening. On 12 April, **Fr Rakesh** journeyed back to Almora along with **Fr Pradeep** who had gone to Patna to attend the Lokmanch meeting. **Sch Ruban** joined them from Delhi. As soon as he reached Almora, he immersed himself in exams and assignments. Nevertheless, he accompanied **Fr Pradeep** to Jalna for a meeting to collect data on the activities done by the staff for his academic requirement. **Fr Joseph** and **Fr Rakesh**, along with the staff, were striving to put up retention wall to block the land erosion during heavy rain. Meanwhile, with the help of the staff, they cleaned the surroundings where trees are planted to avoid fire. **Fr Pradeep** met the staff to get their reports and MPR for further planning.

## ROPAR

**Parish:** The Paschal Triduum liturgy was well organized by the parish youth and the catechist. The newly-appointed Parish Priest **Fr Vincent Paul**, was warmly welcomed and introduced by the outgoing PP **Fr Thomas Kuriacose**. The liturgical services during the Holy Week were low-key. Considering the SOP of Covid-19 lockdown the Easter Vigil Mass was kept a bit

earlier than usual. On 4 April 2021, the Easter Sunday, the new Parish Priest Fr Vincent Paul was installed as the PP of the Good Shepherd Church, Ropar. On the same day, a well-arranged *langar* was served for all the parishioners of Kotla. On two consecutive Sundays that followed, the Sacraments of Confession and the First Holy Communion were administered to 13 children of the parish. The rapid surge of Covid-19 cases in Punjab has compelled us to suspend all common religious gatherings. Hence, as per the guidelines issued by the bishop of Simla-Chandigarh diocese, all public liturgies are suspended until further notice from the bishop, the Punjab government and the Government of India.

**School:** After a prolonged and tedious work by **Fr Sekar** and **Mr Kamaljit Rana**, our school lawyer, the mutation and partition of our land is finally completed on April 6, 2021. Now we are the sole owners of the entire 6 acres (49 kanal and 12 marla) of land. We have got the new Fard (A copy of land records containing the names of owners and the area of land) along with a new revenue map of our land. **Fr Sekar** continues to pursue the CLU-related work without giving up hope. Online teaching and learning continues in our school without any hindrance. From time to time the methodologies of teaching, too, keep evolving. On 5 April, the birthday of **Fr Vincent** was celebrated in the school with just the staff members as participants. Easter blessing of the school campus was done by **Fr Sekar** and **Fr Vincent**.

**Community:** On 6 April 2021, **Fr Thomas Kuriacose** accompanied by **Fr Robin**, **Fr Vincent** and **Sch. Ashwin** went to his new community at XLRI, Jhajjar. The community went to see our land at Anandpur Sahib and spent some quality time there making it a community picnic. We paid a flying visit to Jhindwadi Fathers and Sisters, too. Amidst the corona pandemic we are safe and healthy until now. **Sch. Praveen** is totally engrossed in his online examination.

*Ashwin*

### KHARAR/MORINDA

It looks as if no gatherings are possible in rural and suburban areas for the coming months. Hence, we are looking into the modalities of carrying on our involvement with the villagers for their empowerment. As part of the de-addiction sensitization program, one-act plays and *nukkad* dramas were staged at various villages. SHG animators are visiting villages and conducting SHG meetings at different villages. On the 8th **Fr.**

**Viren** went to Delhi to meet the province treasurer. Due to the surge of Covid-19 cases, **Fr Robin** attended some programs online: (1) Conference Apostolic Planning training sessions organized from 8 to 11 April by JCSA; (2) the Zoom meeting on 21 April on the topic Responding to the 2nd Wave of the Pandemic organized by the SJES South Asia and (3) a Zoom meeting on 24 April organized by CDF for PCF/RCFs of the conference on Covid-19 Crisis and Apostolic Planning. At present, there are no classes at the Kharar center. Our caretaker spends his time cultivating vegetables in the field and taking care of the house. From time to time we visit the Kharar house to motivate and cheer him.

### Health Update on Fr Chinna (Alex)

Currently the file of **Fr Chinna** is complete. Dentists too recently given their approval. The chief surgeon, too, met Chinna. Thus, he is ready medically, except for the tissue match test to be done next.

His sister and brother-in-law went home to cast their vote and apply for relationship certificate from the tahsil. After some effort, the relationship certificate and the fitness certificate of the donor are obtained. Thus, Chinna is inching towards the date of his operation. **Fr Justin** and **Fr Igni** help him to meet his needs and expenses. In the evening, Chinna takes walks when there is no crowd. **Sr Smita** gives him guidance and help. Once the date is fixed, I will get back to you with the next update.
