VOL. LIX NO. 10 ■ OCTOBER 2019 ■ CHRIST HALL ■ KOZHIKODE

## From the Provincial

Dear friends in the Lord,  
 We just had the joint meeting of Superiors and Ministry Coordinators of the Province. Its positive vibrations are quite afresh in my mind. The sharing of the ministry commissions revealed the diverse of activities that our men are engaged in, often unnoticed and unrecognized. My recent visit to all our communities gave me a glimpse of these activities, but the sharing made me aware of the deeper issues involved. We may have a long way to go in responding creatively to the challenges ahead. One major theme that the group took up was the "policy on the protection of minors and vulnerable adults". We have been working on this theme for long, and it is time that give final shape to it. The proposal to organize zonal meetings of Jesuits for further clarifying related issues and articulating concrete procedures was accepted by all. I intend to send a circular on it soon.

The UAPs are primarily calling us to BE rather than to perform certain tasks. It is a challenging ideal for us. An ideal is not an ideal if it is easily reached, says Gandiji whom we remember on 2nd of October.

### CHRIST HALL, KOZHIKODE

Christ Hall has got a new Superior on 16th September. During the community Eucharist, **Fr Reji Kunnatheth**, the outgoing Superior, handed over the baton to **Fr K. J. Thomas**, the new Superior. The community thanked Fr Reji for his services and bid him farewell on 28th September. Fr Reji left for his new assignment in the capital city on 30th. **Fr M. K. George** left for Rome, his new 'Holy Land', on 1st of September. *Onasadya* with our co-workers was the highlight of the Onam celebration in Christ Hall. The many meetings in Christ Hall included the Golden Jubilee celebrations of JESA, the Formation Commission meeting and the annual two-day meeting of Superiors, CCA members and Consultors. **Frs Varghese Anikuzhy** and **E. J. Thomas** guided retreats for two groups of sisters during the month. **Fr John FJ Manipadam** has returned to the Province after his service in Sri Lanka. During his brief stay in Christ Hall he found his left knee infected with *cellulitis*, probably because of too much Uric Acid in his system. After a few days 'rest' in Nirmala hospital, he left for Kannur to join St Michael's community. *Br John Molekunnel* is growing weak these days and **Fr Thomas Anthraper** has been admitted to Nirmala hospital since 25<sup>th</sup>. We celebrated the birthdays of **Frs O. P. Mathew** and **Cyriac Kulirani**. It was hosted jointly by the alumni of St Joseph's Junior School and the Higher Secondary School. **Fr Jose Mathew**, our alumni Co-coordinator, had to shuttle between Edathua and Kozhikode to make the necessary arrangements for this programme. More than sixty delegates from the various educational institutions of South India attended this function. The officials of the local alumni units left no stone unturned to make it a grand success. True to the spirit of any Jesuit alumni – to give and not to count the cost - they were very generous in spending their precious time, energy and money for the success of this meeting. **Fr P. T. Mathew**, our Socius, representing our provincial, exhorted the delegates to imbibe the core Jesuit values and be men and women for others. The chief guest of this programme was **Dr Devendra Singh** (Ranchi), the president of JAAI. His presence and address was a synergizing and energizing experience for the participants.
