

National Justice Day at Satya Nilayam

Satya Nilayam observed National Justice Day on the 28th of July 2021 from 6 pm to 6:45 pm to honour the legacy of Fr. Stan Swamy. The Silent gathering was indeed a great success as it received around 60 participants which included Religious Sisters from the neighboring convents, the laity from the nearby Parishes, the Support Staff and the Community of Satya Nilayam. Fr P.S. Arul and Fr Martin did the necessary ground work of obtaining permission from the local police, getting the materials and banners ready and looking after the necessary arrangements for the Silent Protest.

The Support we received was overwhelming as there was a positive response from the people who were willing to play their part in the Fight for Justice. At the outset, Fr Martin gave a few words of welcome. Fr Boniface Panna, the Rector of Satya Nilayam paid homage to Fr Stan with the garland and floral tribute and was then followed by the others gathered. The participants were then led into prayer by Fr Micheal Alosanai. Fr Vinod Soreng read the statement of Fr POSA in English. This was followed by the same read in Tamil by Fr P.S. Arul.

Reviewing the Silent gathering, one could say that it was indeed a step forward in spreading awareness and getting others involved in the chain movement to Fight for Justice.
