Manresa House Ranchi

The management and our workers had a meeting on Jan 31, 2020. It was an evaluation of life and work in Manresa House. Our workers expressed their expectations and grievances. The management listened to them and brought some practical points to their notice. They were requested to come on time for their work. An important resolution taken in the meeting was to gather everyday at 8.00 A.M. for prayer in front of the statue of the Sacred Heart at the entrance.

Thus a new tradition commenced in Manresa House from Feb 1, 2020. All the workers came together to invoke God's blessing before they began their work. And this prayer session has become part of their life now. Workers themselves lead the prayer and at the end Fr. Rector gives them blessing. After prayer, information is given to them and then they disperse for their work.

On Feb 2, 2020, when we celebrated the Feast of the Presentation of Our Lord, Fr. Peter Martin pronounced his final Vows in Loyola School, Jamshedpur. Frs Bipin Lugun and John Jyoti

Kujur were the witnesses and representatives from Manresa House. On the same day Fr. Rector accompanied the faithful of Hindpiri who went for a pilgrimage to Sargaon, the birth place of Servant of God, Mother Mary Bernadett Kispotta. It so happened that on this very day we received the sad news of the demise of Sr Prabha, the auntie of Fr. Alex Tirkey. She was an Ursuline nun belonging to Ranchi Province and Ursuline Community, Khunti. The following day the Funeral Mass took place in the Chapel of Ursuline Convent, Dr. Camil Bulcke Path, Ranchi.

On Feb 3, 2020, Bro Blacius Tigga, Minister of the House, and Bro Johnson Kachhap celebrated their birthday. Our Jesuit friends of the neighbouring communities were invited for dinner.

On Feb 4, 2020, Fr. Koo Chung-Mo, S.J. (Formation Delegate, Japan) and Sch. Dolwin Cutinha, S.J. paid a visit to Minor Seminary and Manresa House. They had interaction with Candidates and Scholastics in their respective places. Dr. Fr. John B. Dungdung received his fitness certificate and left for Sonabheel-Solabasti, Assam on Feb 07, 2020 to resume his ministry.

The College fest was held from Feb 7 to 9 but its side effect was seen in Manresa House too as all the staff and students parked their vehicles in Manresa campus. Because of the alertness and generous service of volunteers everything went on well. Then the students of XISS occupied the basket ball court and football ground for practice and preparation for PANACHE (Annual fest). Our campus was crowded and various activities occurred till February 18, 2020. Our senior citizens had to make lots of adjustments during those days.

The 9th of February was the red letter day in the history of Manresa House because Fr. Vernon D'Cunha, S.J., Assistants Ad Providentiam and General Counsellor, visited Manresa House. He met the officials, some individuals and scholastics. He also met the staff members and imparted some news and views from Rome and Vatican. This opportune moment was a blessing for us.

These days, picnic has become part of our life. Manresa workers accompanied by some staff members went to Dolda on the Republic Day for an outing. The collaborators of Satya Bharati went to Saat Dhara near Torpa on February 16. Frs Alex Tirkey, Bipin Lugun, John Jyoti Kujur and Bro Telesphore Horo accompanied them. On the same day Bro Blacius Tigga, Bro Polycarp Lakra and Bro Johnson Kachhap went to Singpur for Brothers' meet. Manresa Community also found time to go for a picnic to Bingaon on 23rd February. Fr Sikander and Fr. Mukul, as ready and willing as they always are, welcomed us with open hearts. It was a good time for us to be together and to enjoy our companionship. Scholastics had prepared varieties of delicious dishes.

On 17th Feb, Fr David Bara from Andamans and Fr Pius Xalxo from Assam Mission arrived here in view of Extended Consult. Fr George Patteri, S.J., (POSA) arrived on 18th Feb for the same purpose. The Extended Consult began at 4.00 P.M. on Feb 18 and came to an end on 19th Feb in the evening.

On Feb 27, 2020, Fr Somy Mathew, S.J., PCF of Jamshedpur arrived here to see his Scholastic Ashish Digal. He was given a warm welcome with a big round of applause. He stayed with us overnight and left for Jamshedpur next day.

February traditionally is the month when the people of Bihar wait to get blessings of our Lady

at the famous pilgrimage center called Mokama. We too were lucky to go as pilgrims for two days to this holy place on 1st of February. Hundreds and thousands of people especially of other faiths flocked to this place whole day and night. After our return from 4th to 8th of February we had seminar on "Introduction to the Pauline letters" by Fr. Peter Ignatius S.J. His guidance helped us to understand about Paul's letters and his understanding of what Jesus Christ means for the life of ordinary Christians. The feast of St Stephen, the patron saint of our parish was celebrated on 16th of February. with solemn Mass. It was followed by tea and snacks and then were presented attractive games to all present for the celebration. Fr. E.P Mathew S.J. the provincial of Kerala made a short visit to our place on 17th of this month. On 20th we were deeply saddened by the death news of the mother of Sch Ananias Xess. He left for home that very day to bid final adieu to his beloved Mom. May her soul rest in peace. We put up our two one act plays (English and Hindi) on 23rd at St. Michael School, Kurji. Many religious turned up to watch our one act plays. On that very day we were also happy to welcome Fr. Soosai Mani S.J., the PCF of Delhi Province. Finally on 25th of February we went for two days of study tour and visited some of the famous places like Bodhgaya, Rajgir and Nalanda. With this excursion we said goodbye to this month.

Foreign Mission GUYANA

Following the mission statement, 'Be baptized and sent,' the Parish Lay Assistants have already started visiting their neighbouring communities with great zeal and enthusiasm. They are helping the faithfuls in their spiritual preparation for the Easter Celebration by conducting the morning devotion, visits to families and the sick, Stations of the Cross and evening prayer. Along with his

six active and energetic catechists, Fr. Elias Surin S.J. visited Chenapou and Karisparu, the most inaccessible village communities and preached the Gospel for twenty days. The evaluation of our missionary trekking took place in the magnificent Kaietuer, the world's largest single-drop water fall with 226 meters high and 100 meter wide plunge amid jungle scenery.

The five Days Ignatian Spiritual Exercises for 50 Parish Lay Assistants of North Pakaraimas were guided by Fr. Anugrah Amar Bage S.J. and Brother Timothy Bishop, the second year USA Jesuit novice, in St. Joseph's Catholic Church Kurukabaru from 23-27 February, 2020.

On 23rd Feb 2020, the Republic of Guyana, celebrated its 50th anniversary with great joy and enthusiasm.

In South Pakaraimas, our Ursuline Sisters spent their full time and energy in the formation of the Parish Lay Assistants in their own respective village communities. In Karasabai, the hostel building for the secondary school students was getting ready to accommodate them in the parish campus.

Nepal

This month was the month of preparation for the visit of Fr General and the Delegates to the Jhapa Mission. The staff and the supporting staff had picnic to Bhurunga on 1st February. It was a time of relaxation and a moment to be together. Many teachers volunteered to cook different menus to make the day special. Students of classes 8 and 10 had their Pre-Board Examination before going for their final examination in the month of March. Moreover, other classes too had their 6th cycle test. On 20th February, our class 10 students were given farewell and wished them good luck for their SEE Board exams. On

28th February Fr. General visited the Jesuit community and the mission here in Deonia. It was a much-awaited day for all of us. It was a moment of grace to receive Fr. General and the Delegates. After lunch and a short program by students and staff of SXD family, Fr General and the Delegates went to Moran Memorial School, Maheshpur. On the same evening, Fr General addressed the Jhapa Jesuits regarding the mission and the vision of the Society, which has to be implemented in the context of Nepal. On 29th Fr General concelebrated the Holy Mass for the faithful and gave the message. He acknowledged and appreciated the Religious Sisters who are actively collaborating with us. Fr General also expressed his deep solidarity with the faithful about the happenings in the tea garden especially the people who are deprived of their citizenship. He encouraged the faithful to educate their children and to make their future better. He asked them to benefit from mobile clinics, which are directly sponsored by the Society for their well-being with the collaboration of FC Sisters.

Munich, Germany

Towards the end of 27th January, Sch. Paulus wrote an exam. on history of philosophy. He passed the exams successfully. Congratulations! Then came oral exams. Schs Sameer and Paulus had their oral exams respectively on 6th and 7th February. On 8th February Sameer's Community had organized an "Abrissparty" meaning- a party to tear down things. But the party did not take its literal meaning. This was the last gathering for fellow students from friend circle, before the Hurtado Community (Sch. Sameer's community) was to get closed down. We had a wonderful evening.

On 9th February we the Scholastics left for Zurich,

Switzerland for a three-days-course on 'Spiritual Exercises' and 'Spiritual guide'. The course was conducted by a Swiss Jesuit Bruno Brantschen S.J. This course gave us the basic knowledge of giving retreats and being a spiritual guide. We have profited a lot from this course and so we are very grateful to have followed this program. It will surely be of great help to our future ministries.

After the course we got back to Munich. The Hurtado Community started packing and wrapping up the household things, in order to move them to their future Gonzaga Community (Sch. Paulus' community). There are two communities for Jesuits in Formation. One of them was Hurtado Community, which existed as a Jesuit Community since 2007. We are at present 8 Scholastics in Munich. In the next Summer there will be only four Scholastics studying in Munich. The province foresaw the decreasing number of Scholastics in Munich in future and decided to close down one of its two Communities. The decision to close down the community was made a year ago. The pause after the winter semester seemed the opportune time to implement this decision. It took almost a week to move the things to the new community and to clean the old community. Thanks to scholastics from Gonzaga Community who rendered their helping hands in cleaning and wrapping up things. With their help we could leave the community neat and tidy. On 19th February we moved to Gonzaga Community. Both Ranchians are now in the same community for the last semester. Good news is that both of us are now in charges of the kitchen for this semester. Our job is to keep the Kitchen tidy and clean. Now we cook more often than before and as a result the house has most of the time an Indian aroma.

Sch. Paulus had Richard Hembrom as his guest from 27th February till 02nd March. Both of them were together in the Juniorate. Richard

discontinued as Jesuit and is now doing his doctorate in Budapest, Hungary. It was a wonderful and amazing experience to meet a fellow companion from Juniorate in Munich. How many of us think of meeting our Indian friends in Europe? Almost an impossible thing! But everything is possible in life. They had a wonderful time together. Richard also was very happy to meet Sch Paulus and other Jesuits. Richard left for Budapest on 02 March. At present we are busy writing our papers. Sch Sameer is busy with bachelor papers and Sch Ajay Paulus is busy with his assignment papers. We have to submit our papers before the start of the summer semester. Please keep us in our prayers!
