Dear Friends in the Lord,

Happy New Year to You

On February 19 2019, Fr General Arturo Sosa in his letter promulgating the universal apostolic preferences of the Society, said that the preferences are the culmination of an attempt "to find the best way to collaborate in the Lord's mission, the best way to serve the Church at this time, the best contribution we can make with what we are and have, seeking to do what is for the greater divine service and the more universal good." These preferences are our mission for the next ten years.

In order to deepen the knowledge of these Universal Apostolic Preferences that propel us to be men of God and men for others, the Secretariat of Faith of Karnataka Province is organizing five webinars on UAP's. These webinars are an occasion for us to come together on an online platform, in order to prayerfully listen, reflect on and internalize the spirit of these preferences, so that we become worthy collaborators in the vineyard of God.
