Secretary's Message

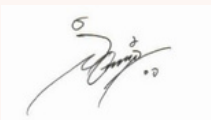

Dear JHEASA members,

Very pleased I am to reconnect with you, through the first edition of our quarterly e-newsletter.

This issue of JHEASA Newsletter contains news of the second quarter (April-June 2023) and will be rolled out every quarter. Solicit your valuable feedback and inputs to make this document a relevant reflection of the many works, achievements, announcements, and information that are taking place in each of our Institutions. As you all know there is a need for more connect and collaboration as we work together, and this e-newsletter gives a platform for sharing and keeping each other informed about the many things we do.

I am looking forward to receiving more ideas and suggestions from you all for the forthcoming issues. I thank the team that has worked on collating and putting this together. You may continue to support them by sending news and information from your institutions for the next issue of JHEASA newsletter.

Wish you all good health and stay blessed.

Secretary
